### Event Report

Swachh Bharat Abhiyan is a Clean India drive and mission launched as a national campaign by the Indian Government aimed at maintaining the cleanliness of streets, roads, and infrastructure of the country. Indian Prime Minister, Narendra Modi launched this mission on 2nd Oct (the birth anniversary of Mahatma Gandhi) in 2014 at Rajghat, New Delhi. While launching the event Prime minister himself had cleaned the road. It is the biggest cleanliness drive ever in India where approximately 3 million government employees including students from schools and colleges took part in the cleanliness activities.

On 18th November 2022 NSS club students from ISME decided to spread the swatch Bharath movement and cleaned a temple in Chembanahalli village.

All the students came together to sweep the streets around the temple to keep the place neat and hygienic. Students also mentioned they had lots of fun and satisfaction while doing this. Some locals saw the work and we were sure that it motivated them to clean their homes and their surroundings.

Many influential people have taken it forward and are spreading awareness in this regard. It's nice to see so many people coming forward for this initiative. No government policy or scheme has ever worked without cooperative citizens, and neither would this one. Students of the NSS club were a huge success in spreading awareness
