The Academic Lab is organised a guest lecture on Career Paths after BBA, on Friday. This virtual live session organised and conducted by the student body of Academic Lab.

**ABOUT SPEAKER-** A Certified Career Counsellor from the Rajiv Gandhi Institute of Youth & Entrepreneurship, Ms Harmeet Bajaj journey in this field began with a passion to innovate career guidance. While qualified to practice since 2012 after taking the Global Career Counselor course from UCLA, she embarked on a period of self-discovery and exploration. This, combined with experience as a college professor, business consultant, competency development trainer, entrepreneur, and parent, shaped her unique approach to career counselling.

development trainer, entrepreneur, and parent, shaped her unique approach to career counselling.

She believes the key to a fulfilling career lies in fostering self-awareness, a constant drive for growth, and the courage to step outside comfort zones. Her diverse background empowers her to connect the dots for clients, nurturing empathy and a thought-leadership mindset – all while harnessing the power of creative and critical thinking. Her core message: success lies in a career that fuels personal evolution, one day at a time.
