Event Report

The Academic Lab is organised a guest lecture on Career Paths after BBA, on Friday. This virtual live session organised and conducted by the student body of Academic Lab.

ABOUT SPEAKER- A Certified Career Counsellor from the Rajiv Gandhi Institute of Youth & Entrepreneurship, Ms Harmeet Bajaj journey in this field began with a passion to innovate career guidance. While qualified to practice since 2012 after taking the Global Career Counselor course from UCLA, she embarked on a period of self-discovery and exploration. This, combined with experience as a college professor, business consultant, competency development trainer, entrepreneur, and parent, shaped her unique approach to career counselling.

She believes the key to a fulfilling career lies in fostering self-awareness, a constant drive for growth, and the courage to step outside comfort zones. Her diverse background empowers her to connect the dots for clients, nurturing empathy and a thought-leadership mindset – all while harnessing the power of creative and critical thinking. Her core message: success lies in a career that fuels personal evolution, one day at a time.
