### Event Report

During orientation, Professor Kiran Kumar K V discussed two crucial topics: Anti-sexual harassment and anti-ragging awareness.

For antisexual harassment, he emphasized creating a safe and respectful environment where everyone feels comfortable and valued. This involves understanding what constitutes harassment, consent, and the steps to take if one experiences or witnesses such behavior. By fostering awareness and promoting a culture of respect and dignity, students can contribute to preventing and addressing instances of sexual harassment.

Regarding anti-ragging awareness, Professor Kiran Kumar K V stressed the importance of maintaining a welcoming and inclusive campus atmosphere free from any form of intimidation or violence. He discussed the detrimental effects of ragging on individuals' mental and emotional well-being and the legal consequences associated with it. By promoting empathy, cooperation, and mutual respect, students can build a supportive community where everyone can thrive academically and socially without fear of harassment or bullying.
