Event Report

Intercollegiate Event at Christ University – In Blooms

The UG students participated in Intercollegiate competitions held at Christ University, Bangalore on 12/4/2023 and 13/4/2023 in different events like Sketching, Mandala art, Origami & Outlook. Our seven students participated in different events and three students successfully won some events.

The Inblooms is an inter-university cultural fest at the national level wherein students from across the country take part in events that not only test their potential but also serve as a platform to portray their talents and creativity. They represent their universities and strive to emerge the best upholding the ideals of their universities and securing the winning trophy.

As much as these events promote the cultural prowess of the participants, it also ensure the development of management and leadership qualities among the students who tirelessly work for and organize the fests.

At the university level, Mr Pretheesh Maiti won the I Prize in Sketching & Cartooning, Ms Nikita Kotian won the I Prize in Mandala art and Ms. Madhusmita won the I Prize in Origami. Our students also excelled in other intercollegiate events
