Event Report

In 2018, the International School of Management Excellence (ISME) organized an intra-college sports tournament with the aim of fostering sportsmanship, teamwork, and healthy competition among its students. The tournament provided a platform for students to highlight their athletic talents and engage in friendly competition within the ISME community.

The intra-college sports tournament featured a variety of sports and games, including cricket, football, basketball, volleyball, table tennis, badminton, and athletics. The tournament was spread over several days, allowing participants ample time to compete in multiple events and display their skills across different disciplines.

Students from various academic programs and batches enthusiastically participated in the tournament, forming teams and competing with their peers. The event saw widespread involvement from both undergraduate and postgraduate students, highlighting the inclusive nature of sports at ISME.

The sports committee of ISME, with support from faculty members and staff, meticulously organized the tournament. Adequate arrangements were made for the smooth conduct of matches, including provision for sports equipment, referees, and first aid facilities. The efficient management ensured that the tournament progressed without any hitches, allowing participants to focus solely on their performance.

Throughout the tournament, a spirit of sportsmanship and camaraderie prevailed among the participants. While the competition was intense, it was characterized by mutual respect and fair play. Students cheered for their teammates and opponents alike, fostering a sense of unity and belonging within the ISME community.

The ISME intra-college sports tournament of 2018 was a resounding success, bringing together students from diverse backgrounds to celebrate the spirit of sportsmanship and healthy competition. The event not only provided a platform for athletic excellence but also fostered a sense of community and belonging among the ISME student body. Moving forward, such initiatives will continue to play a crucial role in promoting holistic development and well-being among students at ISME.

Event Report

In the heart of the campus, the intramural chess tournament unfolded, a battlefield of intellect and strategy. Participants, minds sharp and focused, deliberated each move with precision, contemplating their opponent's next move while guarding their own pieces with fervor. The tournament hall echoed with the subtle clack of pieces meeting the board, amidst the hushed whispers of spectators analyzing the unfolding matches. Strategies ranged from aggressive assaults to cunning traps, each player aiming to outwit their adversary and claim victory. With each move, tension mounted, culminating in moments of triumph or defeat as players navigated the intricate dance of attack and defense, showcasing the timeless allure of chess.
