### Event Report

At ISME, the cricket field is where all the action happens during our yearly intramural cricket tournament! It's so cool to see everyone showing off their skills with the bat and ball, and the crowd goes wild with every boundary hit and wicket taken. The teams are super competitive, and you can tell they've been strategizing like crazy to outsmart each other. But even with all the intensity, there's this awesome sense of friendship and support among us players. Playing cricket together isn't just about staying fit, it's about bonding and having a blast as part of the ISME family!
