### **Event Report**

On 3rd January 2020, the ISME Campus hosted a Model United Nations (MUN) programme, drawing participation from 36 students representing various educational backgrounds. The event aimed to simulate the workings of the United Nations, providing a platform for students to engage in diplomatic negotiations, debates, and collaborative problem-solving. Throughout the day, participants demonstrated remarkable enthusiasm and commitment, engaging in lively discussions on pressing global issues such as climate change, human rights, and international security. Their active involvement not only showcased their depth of understanding but also highlighted their capacity for critical thinking and diplomacy.

The MUN programme at ISME Campus catalyzed skill enhancement and networking opportunities among students. Participants honed their public speaking, research, and negotiation skills while forging connections with peers from different institutions. The event not only fostered intellectual growth but also encouraged cross-cultural understanding and collaboration, leaving a lasting impact on all attendees. Going forward, the success of this programme underscores the importance of continuing such initiatives to nurture global awareness and engagement among students.
