Hosted recently at the International School of Management Excellence, this competition provided a platform for students to showcase their skills in transforming faces into works of art. Armed with brushes, paints, and boundless imagination, participants brought intricate designs, vibrant colors, and thematic concepts to life on their canvases.

Against the backdrop of cheerful music and enthusiastic cheers, participants delved into their creative realms, adorning faces with everything from whimsical characters to intricate patterns and cultural symbols. The competition not only celebrated individual creativity and expression but also fostered a sense of community and collaboration as participants shared techniques, ideas, and inspiration.
