### **Event Report**

The Debate Competition at ISME was an intellectually stimulating event that provided a platform for students to engage in rigorous discourse and critical thinking. Recently held at the International School of Management Excellence, this competition brought together students from diverse backgrounds to debate on a range of thought-provoking topics. With eloquence, logic, and persuasion, participants presented compelling arguments, defended their viewpoints, and engaged in respectful dialogue with their opponents.

Against the backdrop of heated exchanges and spirited rebuttals, debaters showcased their research, analytical skills, and public speaking abilities. The competition not only celebrated academic rigor but also fostered a culture of open-mindedness, empathy, and civic engagement among participants. Through their participation in the Debate Competition, students at ISME demonstrated their ability to articulate complex ideas, listen to differing perspectives, and engage in constructive dialogue, leaving a lasting impression on both the audience and the judges.
