To,

Principal

International School of Management Excellence

Bangalore

Dear Sir/ Madam,

I trust this letter finds you well. On behalf of All India Management Schools (AIMS), I am delighted to extend an invitation to collaborate with ISME for organizing a Faculty Development Program (FDP) focusing on "Management Matters: Exploring Business Challenges & Solutions."

Recognizing the dynamic and ever-evolving landscape of business, AIMS is committed to fostering initiatives that equip management professionals with the knowledge and skills required to address contemporary challenges effectively. We believe that collaborating with ISME presents a unique opportunity to pool our resources and expertise in delivering a comprehensive and impactful FDP.

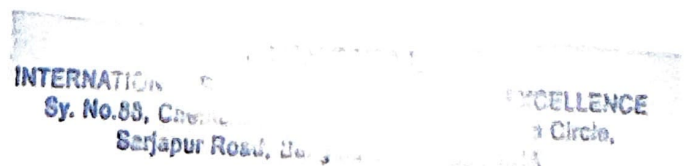

The proposed FDP aims to delve into various aspects of management, offering insights into emerging business challenges and exploring innovative solutions. Through a series of workshops, expert sessions, and interactive discussions, participants will have the opportunity to engage with industry experts and thought leaders, gaining valuable perspectives and practical strategies to navigate complex business environments.

By leveraging the collective strengths of AIMS and ISME, we are confident that this collaborative effort will deliver significant value to participants and contribute to advancing management education and practice. Moreover, it will foster networking opportunities and collaboration among management professionals, facilitating knowledge exchange and partnership building.

We are excited about the prospect of partnering with ISME on this initiative and look forward to discussing the details of our collaboration. Your insights and contributions will be instrumental in shaping the FDP and ensuring its success.

Thank you for considering our proposal. We are eager to embark on this collaborative journey with ISME and contribute to the professional development of management professionals.

MANAGEMENT MATTERS: EXPLORING BUSINESS CHALLENGES & SOLUTIONS

22nd to 26th May 2023

ABOUT INTERNATIONAL SCHOOL OF MANAGEMENT EXCELLENCE (ISME), BANGALORE

ISME is a leading business school offering excellent education through a student-focused culture of excellence, international outlook, entrepreneurial thinking and industry alignment. It was founded in 2006 by alumni from Carnegie Mellon University, Purdue, and Wharton, USA. ISME has been ranked as one of the top 8-Schools in Bangalore and top 1% & Schools in India. At present ISME offers undergraduate, postgraduate and doctoral programs in Management.

ISME Bangalore is the recognized Research Centre of University of Mysore. ISME also offers Fellow Program in Management recognized by AICTE. The doctoral programs at ISME are designed to cater the scholarly needs of working executives, managers, faculty members, researchers and entrepreneurs. The objective of the doctoral programs is to develop scholars for higher level careers in management research and teaching, practice, consulting, training and development and new business creation. The faculty members and scholars of ISME undertake industry focused research that has a meaningful impact on academic and international business environment.

ABOUT THE FDP

The FDP offers a deep dive into the multifaceted world of management, highlighting the myriad challenges faced by organizations of all sizes and industries. The speakers will equip the participants with the knowledge and tools needed to thrive in today's competitive landscape.

Event Report

From May 22nd to 26th, 2023, a Faculty Development Program (FDP) titled "Management Matters: Exploring Business Challenges & Solutions" was conducted. The program featured esteemed speakers Ms. Malavika Haritha, Dr. Vasanthi Srinivasan, Dr. Rahul De, and Dr. Padmini Srinivasan, who shared their expertise on contemporary management issues and solutions. The FDP aimed to equip participants with insights and strategies to tackle the evolving challenges in the business landscape, fostering innovative approaches to management practices.

Throughout the FDP sessions, participants engaged in in-depth discussions and case studies exploring a range of business challenges prevalent in today's dynamic environment. Ms. Malavika Haritha, Dr. Vasanthi Srinivasan, Dr. Rahul De, and Dr. Padmini Srinivasan provided valuable perspectives on topics such as strategic management, organizational leadership, market dynamics, and sustainable business practices. Attendees gained practical knowledge and actionable insights to address complex business issues and drive organizational success.

As a result of the FDP, participants emerged with a deeper understanding of key management concepts and effective problem-solving techniques. The program facilitated knowledge sharing and collaboration among educators and industry professionals, fostering a conducive environment for learning and professional growth. Overall, the FDP on "Management Matters" proved to be a valuable platform for enhancing participants' managerial skills and empowering them to navigate the challenges and opportunities in today's business landscape.
