International School of Management Excellence (ISME) is a leading Business School offering world class education through a student focused culture of excellence, international outlook, entrepreneurial thinking and industry alignment. ISME was founded in 2006 by alumni from Carnegie Mellon University, Purdue University and Wharton Business School, USA. Many ISME faculty have international professional experience or are alumni of top colleges from India and abroad. ISME has graduated over 1900 students who are working in top multi-nationals in India and abroad.

ISME is part of The NVT Group, which is a well-established conglomerate with a diverse portfolio of institutions that have significantly contributed to various technology, defence, education and real estate sectors.

The Academic Audit Committee (AAC) conducted a review of the Academic activities of the college. The Report on the Academic Audit conducted is submitted to the Principal. The Auditing has been conducted emphasizing the 7-criterion benchmarked for evaluation by the NAAC. Accordingly, the study was conducted based on the parameters such current profile, faculty profile, curriculum development, use of the technology-based teaching-learning process, student progression, etc. Successful implementation on of the Student Support Programme was also taken up for evaluation. The AAC has observed a qualitative improvement in many of these areas over the years.
